

Thank you for volunteering at the **Craft Marketplace**

Before the start of your shift, please check-in at **Volunteer Registration**, which is located near the Railroad Stage shuttle drop-off.

When you arrive at the Marketplace, please check-in with Donna.

Here's what you can expect:

Craft Marketplace volunteers lend a hand to the Craft and Taste of Maine vendors selling their wares at the festival. Your willingness to help out with everything from set-up to dinner breaks means a lot to these folks, and will help this area of the festival run more smoothly. You may be called on to do any number of things in the craft sales tents—from watching a booth for a bit to running to get something for them to eat. The Marketplace can get extremely busy with hundreds of people browsing and shopping, and your patience will be helpful in making sure everyone has what they need.

PLEASE NOTE: The Craft Marketplace is located between the Railroad and Dance Tent stages. Volunteer Registration volunteers will point you in the right direction.

Your coordinator is Donna Chase.
