

Thank you for volunteering as a member of the
Map Team

Please meet and check-in at the **Golf Cart corral, off South Street**, above the Volunteer Registration booth on **Friday morning, August 27 at 9 am.**

Here's what you can expect:

Friday morning, you will be part of a team that will drive around the festival site in a golf cart to identify and locate on a map several activities and places on site.

After the Festival site has all been seen and documented, the map team reconvenes at the Festival office – Norumbega Hall, 40 Harlow Street, Bangor, to record on maps where the various vendors and exhibitors are located. This information is then photocopied and assembled into packets for delivery by 4pm that day. The office work is usually completed before noon.

Information on the map includes, but may not be limited to:

- Location of food, craft and "Taste of Maine" vendors on site
- Folk Art exhibitors
- Sponsor/media tents
- Baby Comfort Stations
- Public phones within and near the festival site
- ATMs nearby and off-site (Key, Bank of America, BankNorth, Bangor Savings, Merrill Merchants, Bangor Hydro FCU and in the L'Apertif building).

PLEASE NOTE: We will not be identifying any "just-off-site" vendors or displays who are not among those selected by Festival officials for participation within the Festival site.

Local restaurants, off-site, will be listed at the Information Booths, if visitors inquire there.

Your coordinators are Phyllis Borns and Shirley Ellis.
