Volunteers Still Needed for the 2012 American Folk Festival

BANGOR, Maine –It’s not too late to be a part of the event that brings the world to Bangor! Community support is crucial to the success of the American Folk Festival, and each year over 800 volunteers help make the Festival happen. The AFF still needs volunteers to fill 600 shifts in the following areas: on-site donation team, safety escorts, children’s village, vending, on-call, and site strike.

The American Folk Festival will be registering volunteers through August 17th. Most volunteer shifts average only 3.5 hours, and all Festival volunteers receive an exclusive Festival T-shirt and a ticket to a private party held for volunteers, artists and staff.

To find out how you can help, visit the volunteer page at www.americanfolkfestival.com or contact Denise at 992-2630.
