2011 American Folk Festival Volunteer Deadline Nears

BANGOR, Maine –It’s not too late to be a part of the event that brings the world to Bangor! Community support is crucial to the success of the American Folk Festival, and each year over 800 volunteers help make the Festival happen. The AFF still needs volunteers to fill 150 shifts in the following areas: donation station greeters, safety escorts, music sales, bucket brigade, vending, on-call, and site strike.

The American Folk Festival will be registering volunteers through August 12th. Most volunteer shifts average only 3.5 hours, and all Festival volunteers receive an exclusive Festival T-shirt and a ticket to a private party held for volunteers, artists and staff.

To find out how you can help, visit the volunteer page at www.americanfolkfestival.com or contact Debbi at 974-3216.
