

Thank you for volunteering at **Volunteer Registration**

Volunteer Registration is located near the Railroad shuttle drop-off.

Here's what you can expect:

Volunteer registration volunteers:

- welcome the more than 800 volunteers on site as they arrive for their shifts
- mark volunteer attendance in a provided ledger
- direct volunteers to their shift location
- distribute waivers & t-shirts to volunteers that didn't attend orientation
- Volunteer Registration acts as one of the pick up and drop-off spots for the volunteer survey.

You will be located on Railroad Street near the vending booth. During lulls at volunteer check-in, enjoy the sights and sounds of the Festival!

Your coordinators are Alfred Bushway, Esther Bushway, Sylvia Smith & Audrey McCausland.
